The Verspieren Group and its network

— Created in 2012, Verspieren International reflects the Verspieren Group's desire to operate under its own name. Our network allows us to advise all our customers which operate abroad with a constant level of professionalism and high quality of services.

— At Verspieren International , we rely on our own teams in Switzerland, on our subsidiaries in Europe (Spain, Portugal, Italy, France and the United Kingdom) and on partner brokers, leaders in their markets, whom we have rigorously selected.

— Optimum insurance broker for companies and professionals, we are at your side to advise you, build tailor-made insurance programs and allow you to proceed with peace of mind. Optimum is member of the Verspieren International network.
